Hello!

We are pleased to announce that the Alabama Society of Nuclear Medicine will hold its Spring meeting on March 6th and March 7th, 2019 in Birmingham, AL. We would like to take this opportunity to invite you as a sponsor or contributor! We are always looking to our vendors for help with door prizes, dinner and silent auction prizes. There are two options for your company to choose: Sponsor or Contributor. The Sponsor fee is \$750, and the Contributor fee is a minimum of \$100. You can pay either by check in the mail to the address above or by credit card through PayPal when you register online to attend the meeting (www.alabamanucmed.org).

The Sponsor fee will provide; one skirted 6-foot table for display space, two complimentary pre-registration tickets for your vendor representatives, and a reduced registration fee of \$25 per person for additional representatives from your company. In addition to all this, your company name will be listed as a sponsor to our meeting in all our mailings and in the meeting program.

The Contributor fee will provide only your company name listed as a contributor to our meeting in our mailings and the meeting program. This is an ideal way to have your company name featured sponsor if you are unable to attend.

The current ASNMT Taxpayer Identification Number is: **58-2372896** and the ASNMT is considered tax exempt from Federal Income tax under Section 501(c)(6) of the IRS code.

Also, please consider donating directly to our Founder's Scholarship. This scholarship is awarded each year to a student of an accredited Alabama NMT program. The candidate must have a financial need, scholastic promise, and exemplary character. The ASNMT created this scholarship as a method to ensure a less financially capable student be able to continue the NMT program and thereby contribute to the field of Nuclear Medicine as a competent technologist and to contribute to the community as a benevolent and caring medical professional. Donations for this fund will be tax-deductible.

The ASMNT appreciates our vendors knowing that without our vendor support, we could not continue such memorable and anticipated meetings. We sincerely look forward to seeing you in Birmingham this Spring!

Thanks for your continued support,

Amy Petersen, C.N.M.T.
