To all our new and returning vendors!

We are pleased to announce that the Alabama Society of Nuclear Medicine will hold its 45th Annual meeting on April 20<sup>th</sup> to April 21<sup>st</sup>, 2018 in Birmingham, AL at the Cardiovascular Group. We would like to take this opportunity to invite you as a sponsor or contributor. There are two choices your company can choose, Sponsor or Contributor. The Sponsor fee is \$750 and the Contributor fee is a minimum of \$100. You can pay either by check in the mail to the address above or by credit card through the Paypal account when you register online to attend the meeting ([www.alabamanuemed.org](http://www.alabamanuemed.org)).

The Sponsor fee will provide one skirted 6-foot table for display space, power supply, two complimentary pre-registration tickets for your vendor representatives, and a reduced registration fee of \$25 per person for additional representatives from your company. In addition to all this, your company name will be listed as a sponsor to our meeting in all of our mailings and the meeting program.

The Contributor fee will provide only your company name listed as a contributor to our meeting in all of our mailings and the meeting program. We feel this is a good option if you want to help, but are unable to attend the meeting.

We are always looking to our vendors for help with door prizes and silent auction prizes (a new feature this year). We will sell raffle tickets to be drawn for some of the door prizes to help raise money for our student scholarship fund.

The current ASNM Tax Payer Identification Number is: 58-2372896 and the ASNM is considered tax exempt from Federal Income tax under Section 501(c)(6) of the IRS code.

Also, please consider donating directly to our Founder's Scholarship. This scholarship is awarded each year to a student of an accredited Alabama NMT program. The candidate must have a financial need, scholastic promise, and exemplary character. The ASNM created this scholarship as a method to ensure a less financially capable student be able to continue the NMT program and thereby contribute to the field of Nuclear Medicine as a competent technologist and to contribute to the community as a benevolent and caring medical professional. Donations for this fund will be tax-deductible.

The ASNLM realizes and recognizes that without our vendor support, we could not continue such memorable and anticipated meetings. We sincerely look forward to seeing you in Birmingham this spring. Feel free to contact Kaval Mann at [alabamasnm@gmail.com](mailto:alabamasnm@gmail.com) for any questions, problems, or concerns you might have.

Thanks for your continued support,

Kaval Mann, C.N.M.T.
